2010 Country Coast Classic Bike Ride Sponsorship Opportunities

The History of the Gene Cerise Memorial Country Coast Classic Bike Ride

Supporting the youth of Cambria is what this ride is all about. Since its inception, this has been a volunteer-driven event, with proceeds benefiting a teen community center. Gene Cerise was an avid cyclist and youth enthusiast. In 2001 he organized the first "Country Coast Classic Bike Ride". Gene succumbed to leukemia in 2004 but his legacy continues. Today we are working to hold the 10th annual Gene Cerise Memorial Country Coast Classic Bike Ride in support of the Cambria Teen Center.

About This Ride - June 26, 2010:

This ride offers a great day of cycling fun along some of the most scenic coastline and hills in California. Beat the heat and enjoy the cool air and great scenery of the California Central Coast. Registration includes well-stocked rest stops, experienced SAG, delicious BBQ, and raffle ticket.

Participants may select one of three rides, the Century (100 mile ride), 1/2 Century (50 mile) or Short Ride (25 miles). Over 250 riders, volunteers and guests contribute to our total figure of participants, increasing donations and exposure opportunities. What is provided to the riders:

- Pre-marked ride route
- Lunch for Century riders
- Route Maps
- Post-ride barbecue
- SAG support vehicles on the ride
- Ticket for Raffle Prizes
- Rest Stops, (snacks, homemade cookies, drinks)

Charity Description: YMCA Teen Center

The YMCA operates the community's only drop-in after-school & Saturday program for teenagers in the Cambria area during the school year and summer time. Teens may use this Center for no cost, due to the generous support of many local charity events and service clubs. The Teen Center is located at 870 Main Street.

2010 Country Coast Classic Bike Ride Goal

Our fundraising goal for 2010 is \$15,000 after event expenses. All proceeds go to the charity in support of the Cambria Teen Center.

Sponsorship Exposure Opportunities

There are several planned ways to maximize the exposure of our sponsor's name or image.

E-mail Gold level sponsors are included in multiple e-mail messages sent to past and registered riders to provide important ride information.

Event Literature Event literature/registration information will be displayed in area bike shops and distributed at regional bike rides. Literature and registration forms can also be downloaded at www.CountryCoastClassic.org

Event Start Site and Barbecue Site The event start site and final barbecue site are informal areas where support personnel, participants, friends and families congregate before the ride for registration for specific announcements and following the ride for a meal and convivial conversation. Sponsor banners or lawn signage will be placed in this area if provided prior to event. Vendor booths are also encouraged.

Rest Stops Food and replenishment is provided at rest stops along the route.

T-shirt The 2010 Bike Ride T-shirt will have original art and space for a limited number of sponsors (Gold & Silver Level).

Website Ride website www.countrycoastclassic.org will have up-to-date information on ride news, a list of our supporting sponsors and raffle prizes.

In-Kind An in-kind donation will positively affect the organization's ability to reach the 2010 goal. A donation of a service or product creates a positive incentive for riders to participate. In-kind sponsorships are accepted at the discretion of the event committee, depending on event needs and items offered. Direct contributions are also encouraged.
