**YMCA WILL WATCH THE KIDS ON SATURDAY DATE NIGHT
BEFORE VALENTINE'S DAY**

Enjoy Saturday Night With Your Valentine & Leave The Kids With The Y

San Luis Obispo, CA – Parents can go on a “Pre-Valentine Date Night”, and leave the kids at the YMCA, on Saturday, February 10th. Let the San Luis Obispo County YMCA show your kids a safe and secure good time, while you take your Valentine out for a special Saturday date night.

The YMCA is offering childcare for “Pre-Valentine Date Night” for children ages 5 to 12 from 6 to 10 pm on Saturday, February 10th. The evening of great fun will be happening at the YMCA’s San Luis Obispo Facility at 1020 Southwood Drive, off Laurel Lane near Sinsheimer Pool. An evening of non-stop activities, including a healthy (and tasty) dinner, will be provided. Children will enjoy lots of games, a movie with popcorn, a bounce house and crafts.

The fee for this evening of fun for your child is \$20.00 for YMCA members and \$35.00 for non-members. A discount of \$5.00 will be given for each additional child in the family. Reservations are necessary and may be made by calling Nate Asher, Membership Director at 543-8235 or by email nasher@sloymca.org. As space is limited, reservations must be made by 9 pm Thursday, February 8th.

The YMCA, a nonprofit organization, offers a spectrum of fun, healthy and educational programs for children, families and adults throughout San Luis Obispo County. YMCA programs strive to promote the important character traits of: Respect, Citizenship, Caring, Responsibility, Trustworthiness and Fairness. These Six Pillars of Character, designed by the Character Counts Institute, as well as the Search Institute’s 40 Developmental Assets are the foundation of our program curriculum. The YMCA believes that by teaching and living these concepts, that children involved with the Y have the positive experiences and develop the personal qualities needed to grow up healthy, caring, and responsible. Focused on building strong kids, strong families and strong communities, YMCA programs appeal to all ages, from the young to the young at heart, and are available to everyone regardless of race, creed, nationality or disability, or financial hardship.
