The YMCA Youth Roller Hockey Program was developed to bring a popular new youth sport to San Luis Obispo County. The program strives to encourage skill development, self-confidence and positive peer interaction. It also provides a unique opportunity for parents to share quality time with the children, and have fun doing it! We encourage parents and kids to experience the YMCA.

The YMCA is a non-profit organization offering a spectrum of fun, healthy and educational programs for children, families and adults throughout San Luis Obispo County. Focused on building strong kids, strong families and strong communities, YMCA programs appeal to all ages, from the young to the young at heart, and is available to everyone regardless of race, creed, nationality or disability.

Character counts at the YMCA. A core of each YMCA program is a commitment to [Six Pillars of Character](#): Trustworthiness, Respect, Responsibility, Caring, Citizenship and Fairness. The YMCA believes that by teaching and living these concepts, that everyone benefits, especially children. In learning these six pillars, children involved with the Y have the positive experiences and develop the personal qualities needed to grow up healthy, caring, and responsible.
